Letter from the Editor

Texas Limousin Family, what a spring! Another year of Texas majors has come and gone but not without some incredible memories made and phenomenal cattle shown by our juniors.

The Fort Worth Livestock Show & Rodeo kicked off the season with a stand out showing from the Limousin breed. The show is a favorite for many and this year proved no different with more juniors than ever attending the TJLA meeting to sign up for membership, our showmanship series and more.

On Saturday, January 21, the Texas Limousin Association hosted the Lone Star Shoot-Out Show in the green arena where the association paid out over \$10,000 and every exhibitor walked away with a check. You can read all results from the Shoot-Out on pg. 8.

San Angelo came fast and furious with Tucker Parkinson and Kylee Gaston winning grand and reserve honors, respectively. The results for San Angelo are seen on pg. 17.

The San Antonio Livestock Show & Rodeo proved to be another highlight this year where the Champion Limousin Female, LJRJ CSVN MS BROWN SUGAR, exhibited by Breck Boyce, secured the Reserve Champion Continental Heifer honors. View all San Antonio results on pg.18.

Showing cattle on the green shavings at the Houston Livestock Show & Rodeo is always a treat for our juniors and the breed. This year proved no different with an impressive grand drive where Jacee Parish and Gage Lee walked away with grand and reserve champion honors, respectively. View more on pg. 19.

Finally, Rodeo Austin rounded out the major season for our juniors where Bryntlee Wilkerson, with GREENWOOD ALLY 111K, walked away with champion honors. Rodeo Austin results can be read on pg. 20.

With the wrap of the 2023 Texas majors, the Limousin breed still has many things to look forward to in the months to come. First, we would love for you to join us at the TJLA Field Day in Waxahachie, TX, June 2 - 4. Come enjoy the cattle show, satellite events, TLA member meeting, banquet and good times! Entries, TJLA board member applications and scholarship applications are due on May 15. You can find the full schedule for the field day online or on pg. 21.

Following the Field Day, the National Junior Limousin Show & Congress will be "Rallying to Rushmore" in Rapid City, South Dakota July 7 - 13. I hope you're able to make the trip this summer and represent Texas well at this peak of our year!

I hope you have safe travels, plenty of summer rain and to see you down the road soon.

Leighton

JUNIOR BOARD *Spotlight*

I am nineteen years old and a college freshman serving as your TJLA president. I like showing Limousin cattle because of the people. The Limousin breed is like one big family.

My favorite stock show is Limousin Jr Nationals. I love spending a whole week hanging out with all my friends from different states, competing in different events, and getting in the show ring as much as I can. The state show is an amazing chance to get to see all your friends and even make some new ones before Jr. Nationals. Also you get to practice all your satellite events and even play some fun games.

- Landry Kleman

JUNIOR BOARD *Spotlight*

My name is Boone Begert and I am the current Vice President of the TJLA Board of Directors. I am a senior at Fort Elliott CISD and live on my family's Registered Limousin Ranch.

Raising and showing Limousin Cattle has always been very special to me. The people in the Limousin Association have become family to me and I truly can't imagine life any other way. My favorite stock show is the Limousin Junior Nationals, this summer will be my 19th Junior Nationals to attend and I love every second of the busy week! Our state show is a great time for everyone to catch up and plan for Nationals. It is a time for everyone to bond and show some great cattle!

Q & A WITH WAYNE BABER

WAYNE BABER Temple, Tx

Wayne Baber of Temple, Texas is a long-standing member of the Texas Limousin Association (TLA). Baber served on the TLA board for over six years, two of those as President of the association. His granddaughters, Reagan Bauer and Randa Taylor were active members of the TJLA, both serving as Presidents of the junior board. Randa also served as the North American Limousin Junior Association's President.

How did you get involved with the breed and Texas Limousin Association?

Before I retired, a friend of mine, who is more like my brother, bought a show heifer for his daughter and he and I kind of became partners. It happened to be a Limousin. So before I retired and moved to the country, I bought a cow or two. And since we started with a Limousin, we just kind of stuck with the breed. The French history and all was kind of

interesting but I didn't know anything about anything, so we just decided to go with it. We made a few sales back when there were some big breeders in Texas, not out of knowing anything in particular, it just sounded like they were going to do good and if we wanted to buy some cows, we might as well have some registered cows.

I do remember, I went in to stay and help a family out in Houston one year, and this poor kid had an Angus and they walked him in and just walked him right back out. Half of them walked in and half of them didn't even get to show. I thought, that is so bad, I couldn't believe they didn't give those kids the opportunity to walk around the ring at least. They had so many heifers, that after sitting there for 3 days, some didn't even get to show. It was another reason I thought I'm not going to do an Angus. I just couldn't believe what they did that day and after that I just knew I didn't want to raise Angus. When I did retire and actually moved where I had some acreage, I bought a few more cows. I never had more

than 25 or 30. Of course, I developed a lot of friends in the association. The grandkids were interested and Limousin just seemed to be the way to go. Nothing fantastic, just kind of evolved into it. They enjoyed it and the people they were meeting and the work ethic they were learning, they were really enjoying it, so I was fortunately able to help them be involved. Randa especially still has several friends that she met from the association.

How has the Limousin breed changed since you began raising the cattle?

I certainly think it's a cross breed. I was one of the ones that wanted to keep the breed red and that wasn't the right thing and it took them a while to convince me. Someone told me, 'what you've got to look at is what is the market buying, that's what you have to work for'. And of course, they weren't buying Fullblood Limousins. They were buying something with a black hide.

Through the cross-breeding, they've been able to increase the marbling and make it a better piece of meat. The Angus Association has done just such a job on selling. They've just been able to do the marketing, and the marbling does make it taste better. If you take a piece of Fullblood Limousin, if you over-cook it at all, it's going to be tough. But the change has evolved to make it a better piece of meat.

There were some people that realized that in the beginning, that Fullblood red wasn't the way to go. In other words, it makes a very good bull to cross with a range cow and come up with a better piece of meat.

Why do you think it's important to be involved in a breed association?

I retired and did it for fun and to stay with the grandkids. You can buy great animals but you had more fun when you showed one you raised, you just enjoyed that more. The junior association is just really, really good for the kids - the work ethics

and the friendships that come from being involved is invaluable.

“All my favorite memories are just seeing how well the juniors do and just how much my grandkids learned and the work ethic and the friends they made.”

What is your favorite memory from your involvement with the Limousin breed?

Oh wow. All my favorite memories are just seeing how well the juniors do and just how much my grandkids learned and the work ethic and the friends they made. That's been the biggest thing I got out of it.

Probably the favorite show would have been the second Junior Nationals in Amarillo, the red-dirt. I was just more involved in that one and it was just a neat activity. I was in charge of finance for that

show and it was just pretty cool to see how people, that didn't get along all the time, to see how much they were willing to contribute to make that thing a real success. Which has been the case at all of them.

” So, just the people and what they do for the kids is really the best thing I've gotten out of the association.

Do you have any advice for new members of the association?

Just listen to the group that's leading the junior show - ask them for advice and listen. The ones that are leading and doing it are willing to help you out. You can't beat the group that works with the juniors which is pretty much the same group all the time and you can't beat the advice and help that they give you.

NORTH AMERICAN LIMOUSIN JUNIOR ASSOCIATION

Beef & Broccoli Stir Fry

Get out the wok, or cook it stovetop and skip the takeout with this homemade beef and broccoli stir fry. Make it as is, or add your own additional veggies.

Serving Size: 4 Cook Time: 30 minutes

Step 01
Begin cooking rice to be ready when the stir fry is done.

Step 02
Combine sauce ingredients into one bowl, stir and set aside.

Step 03
Add 1 tsp of oil to a large skillet over medium heat. Add broccoli florets and sauté 4-5 minutes, partially covered with lid, stirring throughout until broccoli is crisp-tender. If you prefer softer broccoli, add 2 tbsp of water before covering the pan to steam to cook. Once ready, remove from pan and set aside.

Step 04
Tenderize beef and slice into thin strips. Increase to high heat and add more oil. Add beef in a single layer and sauté 2 minutes per side or just until cooked through.

Step 05
Add broccoli and sauce to the beef, reduce heat to medium/low. If a thinner sauce is desired, stir in 1-2 tbsp of water. Simmer 3-4 minutes. Serve over white rice.

Ingredients

Beef & Broccoli

- 1 lbs. Flank Steak
- 1 lbs. Broccoli
- 2 tbsp. Olive Oil
- 2 tsp. Sesame Seeds for garnish

Sauce

- 1 tsp. Grated Ginger
- 2 tsp. Grated Garlic
- 1/2 cup Hot Water
- 6 tbsp. Soy Sauce
- 3 tbsp. Brown Sugar
- 1 1/2 tbsp. Cornstarch
- 1/4 tsp. Black Pepper

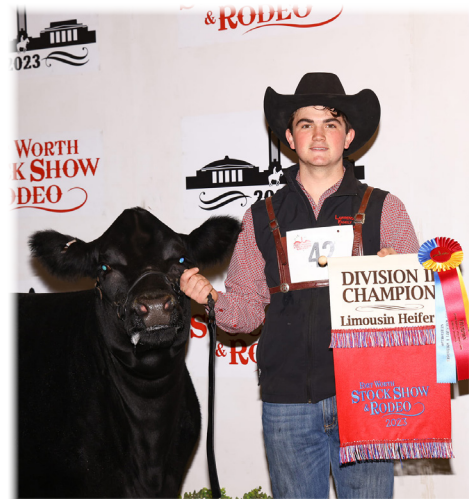

JUNIOR BOARD

Spotlight

I am a first year director for the Texas Junior Limousin Association. I am a 15 year old Freshman at Whitharral High School.

My favorite thing about showing Limousin cattle is the many friends that I have met from all different states. My favorite show is Fort Worth because it is the first Texas major and it is a fit show that I get to show heifers, open cattle and steers.

Juniors should come to the state show to meet new friends and participate in all of the activities including the satellite events.

- Tucker Parkinson

TLA Board

The Texas Limousin Association was founded in 1971 as a non-profit organization operated by its members, for the members. Today, the association ranks as one of the largest state beef cattle breed organizations in the nation. The primary purpose of the TLA is to promote, improve and market Limousin cattle through improvement activities, shows and sales.

The TLA is also the parent organization for the Texas Junior Limousin Association. There are many opportunities for TJLA members, including the Field Day show, Lone Star Shoot-Out show and scholarships.

Family & Ranching

A Life We Have Been Blessed With For Nearly 50 Years

Congratulations, Boone!
It has been such a joy watching you grow and develop into the young man you have become. Congratulations on your High School graduation! We are so excited about this next chapter of your life.

It is prime-time to select your next herd sires from the choice selection of yearling bulls we have available. They represent five decades of breeding and selection. Call Today!

Invest in these young herd sires this breeding season.

LFL JOHNNY 1117 J

57% Lim-Flex · Homo Polled · Homo Black · 9/3/21
LFL Deluxe Edition 6029D x LFL Gossip Girl 9168G
CE: 12 BW: -0.6 WW: 80 YW: 125 MK: 19 CM: 7 SC: 1.00
DC: 11 YG: -0.03 CW: 39 RE: 0.46 MB: 0.25 \$MI: 64
The lead bull in our Reserve Grand Champion Pen at both
Cattlemen's Congress and National Western. Low enough
birth to work on heifers, yet plenty of growth for mature cows.

*Owned with Chris Deberry. Semen available,
contact owners or Grassroots Genetics (515.965.1458).*

LFL JUMPER 1310J

76% Limousin · Homo Polled · Black · 9/16/21
COLE Genesis 86G x LFL Elise 7021E
CE: 12 BW: -0.6 WW: 79 YW: 112 MK: 32 CM: 7 SC: 0.80
DC: 18 YG: -0.08 CW: 22 RE: 0.50 MB: 0.29 \$MI: 65
Member of our Reserve Grand Champion Pen at
both Cattlemen's Congress and National Western.
A 76% Limousin option who bends the birth
to yearling curve along with top 1% milk.

*Owned with Walking Spear Ranch. Semen available,
contact owners or Grassroots Genetics (515.965.1458).*

LFL JUDSON 1011 J

60% Lim-Flex · Homo Polled · Homo Black · 3/2/21
LFL Eddie 7019 E x LFL Elegant 7126E
CE: 10 BW: 3.5 WW: 79 YW: 120 MK: 20 CM: 5 SC: 0.80
DC: 13 YG: -0.15 CW: 34 RE: 0.66 MB: 0.27 \$MI: 65
Tucker's Grand Champion Bred and Owned bull
at Junior Nationals and Fort Worth. If you are
looking to add growth, marbling and \$MTI
without sacrificing style, then Judson is your man.

*Owned with Burnett Brothers.
Contact owners for semen availability.*
